For Open test in new window, select No.

**TEST INFORMATION**

- Name: Example Test 1

**TEST AVAILABILITY**

- Make timed test
- Add announcement (test available until)

- Select Yes for both Announcement and Link Availability Settings.
  
  **Force Completion** must remain off.

**TEST SECURITY OPTIONS**

Do not set a password. Set Restrict location to Testing Center.

This allows students to resume the test in the event of a technical issue or internet outage.
